

# The Inner Sanctum of Sacred Geometry

## Exploring the Hidden Architecture of Creation

New introductory class/workshop series now forming.

This is the most comprehensive, hands-on course available in the methods and philosophy of Sacred Geometry, with applications in a variety of interesting and important topics from metaphysical, scientific, artistic and occult traditions.

Sacred Geometry provides the key to understanding the Great Year, the cosmic clock which reveals the cycles of planetary change and governs the unfolding of world events.

Sacred Geometry provides the key to revealing the invisible patterns of Creation. It unlocks the deepest mysteries of Cosmic Destruction and Renewal.

Sacred Geometry provided the alphabet with which the Master Builders of old conceived and constructed their masterpieces of stone and clay and wood and the master key to unlock their concealed teachings. It unveils the cosmic blueprint for the building of Worlds and a new order of the Ages.

Please see the comprehensive syllabus for a listing of topics explored in the extended course.

No mathematical background is required. We start with the basics and then proceed to more complex levels. The student is guided step by step into the deeper mysteries of Sacred Geometry.
